### **Auto Log-Out from any Website**

# Auto Log-Out from multiple website at the same time...!

One of LogmeOnce's significant benefits is that you are able to log out of multiple web site and web accounts at the same time.

As shown above, you may have multiple web account accessed and left open. When it's time to walk away or simply log out, it is not most efficient to click on each tab and close each account or website. More important, what if we do not even remember to log out of all of these individual websites!

That is when LogmeOnce's Auto Log Out or Single Log Out (SLO) will be of tremendous help. Easily, Securely, and with confidence, log out of all of your accounts with one click.
